No. 863-76/D of 28.3.25 directs that the verification of the area irrigated for fodder & manurial crops under the Krishnaraja Sagara & the collection of Revenue on the water rate be attended to by the Rev. Department; the P.W. Department giving necessary information required therein

NOTE—Contn. sheet.

554 Dis 42-22 P.W.C. - D 216 K.S.S

Subject:- Agency for collection of water rate on lands supplied with water for fodder and manurial crops in the nonmamool area in the current summer season.

Submitted to the Dewan of Mysore.

2. Government Order No. P.W. 282-88/K.S.S. 1714-20 dated 2nd February 1924, authorises the Executive Engineers to receive the water-rate of Rupee One per acre and allow supply of water for growing fodder and manurial crops. The Executive Engineers have not been able to give effect to the proposal of collecting the water-rate for the following reasons:-

(1) The ryots as reported by the Executive Engineer, Lower Channels Division, are quite unwilling to pay water-rates in advance.

(2) The staff of the P.W.D. do not know th details of the Survey Numbers irrigated and it may create confusion if the collection of water rates is undertaken in this department.

(3) Under these circumstances, it seems advisable to entrust the work of verifying the area irrigated for fodder and manurial crops and collecting the water rate to the Revenue Department.

(4) It may be stated here that in spite of the various concessions sanctioned for growth of fodder not many ryots seem to have actually sown fodder yet. However it is reported that ploughing operations are going on and that about 600 acres may be placed under fodder shortly in the Upper Channels Division, and about an equal

Dewan's orders approved. But P.W.D. officers must give all the necessary assistance. sd/- M.K.S. 25/3/24

area under the Chickadevaroy Sagara Channel.

The areas actually sown will be reported about the end of the month.

5. Orders are solicited on the proposal of the collection of water-rates being entrusted to the Revenue Department. After approval, the file will be forwarded to the Revenue Secretary for issue of orders as the last order No. L. 6465-76 dated 16th February 1924, was issued in the Revenue Secretariat.

SD/- K. R. Seshachar,
Secretary to Government,
Krishnaraja Sagara Works.

Camp, K.R. Sagara,
16th March 1924.

GENERAL AND REVENUE DEPARTMENTS

G. O. No. 863-76/D. Dated Bangalore, 28th March 1924.

Collection of water rate for growing crops under Krishnaraja Sagara.

Entrusts the work of———to the Revenue Department

Read:—

Government Order No.P.W.282-88/K.S.S. 1714-20 dated 2nd February 1924 passing orders regarding certain concessions under the Krishnaraja Sagara in the Mysore District to encourage the growth of manurial and fodder crops and authorizing the Executive Engineers to receive the water rate fixed at rupee one per acre and let out water on receipt of applications.

2. Government Order No.L.6485-76/A. & E. 168-23-1 dated 16th February 1924, sanctioning certain further concessions for encouraging the growth of fodder and manurial crops.

3. The note dated 16th March 1924 from the Secretary to Government, Krishnaraja Sagara Works in regard to the agency for collection of water rate on lands supplied with water for fodder and manurial crops in the non-mamool area in the current summer season.

ORDER No.863-76/D. DATED 28TH MARCH 1924.

In the Government Order of 2nd February 1924, read above, Government authorized the Executive Engineers to receive the water rate of one rupee per acre and allow water for growing the crops. The Special Officer, Krishnaraja Sagara Works, now reports that the Executive Engineers have not been able to give effect to the proposal of collecting the water rate as the ryots are not willing to pay the water rate in advance and as the Public Works Department are not in possession of details of the survey numbers irrigated and recommends that the work of collecting the water rate may be entrusted to the Revenue Department. Government are pleased to direct that the verification of the area irrigated for fodder and manurial crops and the collection of the special water rate be attended to by the Revenue Department. The Officers of the Public Works Department are requested to co-operate with the Revenue authorities by furnishing them with all the necessary information.

2. The Revenue Commissioner is requested to issue further subsidiary instructions to the several revenue officers as regards the mode of collection etc.

K. V. ANANTARAMAN,
Secretary to Government,
Revenue Department.

To—The Revenue Commissioner in Mysore.
The Director of Agriculture in Mysore.
The Comptroller to Government.
The Deputy Commissioners of Mysore and Hassan Districts.
The Special Officer, Krishnaraja Sagara Works.
The Secretary to Government, Krishnaraja Sagara and P.W.D.
The Chief Engineer in Mysore.
The Deputy Commissioners of other Districts.
